When Wisconsin veterinarian Doc dies, his family learns that to inherit his fortune, they must decipher the cryptic codicil he added to his will---"Take Doofus squirrel-fishing"---and they can only do that by talking to Doc's friends, reading the memoir Doc wrote of a Christmas season decades earlier, searching through Doc's correspondence, and discovering clues around them. Humor abounds as this mismatched lot tries to find time in their hectic lives to work together to solve the puzzle. In the end, will they realize that fortune comes in many guises?
