Ministers often find themselves caught in the day-to-day pressures of leading a congregation and yearn to experience the unfolding of their professional lives from a larger perspective. *Four Seasons of Ministry* serves as a guide for what you will find on your ministerial journey and gives meaning to the routine and repetitive tasks of ministry. Authors Bruce G. and Katherine Gould Epperly, each of whom has over 25 years of experience in various pastoral roles, invite clergy to see their ministries in the present as part of a life-long adventure in companionship with God, their loved ones, and their congregations. There is a time and a season to every ministry. Healthy and vital pastors look for the signs of the times and the gifts of each swiftly passing season, but they also take responsibility for engaging the creative opportunities of each season of ministry. Those who listen well to the gentle rhythm of God moving through their lives and the responsibilities and challenges that attend the passing of the years, vocationally as well as chronologically, will be amazed at the beauty and truth that shapes and characterizes the development of their ministries.
