I Hear a Pickle: and Smell, See, Touch, & Taste It, Too! Rachel Isadora

* “Isadora’s book about the five senses is aimed perfectly at another sense—kids’ sense of humor.”—*The Horn Book*, starred review

Caldecott Honor winner Rachel Isadora’s sweet and simple introduction to the five senses is perfect for the youngest children, who will recognize themselves in charming vignettes portraying a wide range of childhood activities. Hearing, smelling, seeing, touching, tasting--our five senses allow us to experience the world in so many ways! With our ears we hear the birds sing; with our nose we smell the stinky cheese; with our eyes we see the moon and stars (and sometimes glasses help us see even better!); with our skin we feel the rain (and learn not to touch the hot stove!); and with our tongue we can taste our favorite foods. Isadora’s lively art reveals the power and delight of each sense.

From the Hardcover edition.
