Sinister Visions

Shamanic counselor Sabbie Dare doesn't believe her troubled client, Cliff Houghton, is capable of evil. But Cliff has become the prime suspect in the murder of a young boy after the police catch him lurking in the moors where the body was found.

Continuing the therapy they'd begun together, Sabbie recovers disturbing childhood memories from Cliff's subconscious, shedding light on a spate of crimes that terrorized the English countryside twenty years earlier. And when a second child goes missing, Sabbie must piece together fragments of the buried past before another innocent victim is robbed of his life.
