From “smoking-hot talent”* Marcella Burnard comes a dangerous and captivating new novel that will get under your skin.

With her art and magic, Isa Romanchzyk has the power to create or destroy. In her tattoo shop, Nightmare Ink, Isa helps those in need by binding the power embedded in their Live Ink—the magical tattoos that can enhance the life of the wearer, or end it. But binding tattoos has earned Isa the contempt of her fellow artists—including her former lover Daniel.

When a friend comes to the shop with a tattoo on the verge of killing him, Isa can't turn him away. For the first time in years, she works Live Ink—something she swore she'd never do again. But a broken vow soon becomes the least of her problems.

The real nightmare begins when she's abducted and inked with a Living Tattoo against her will. Now, saddled with a powerful, amoral entity willing to do anything to win his freedom, Isa must fight to keep her Living Tattoo from consuming her completely...
