The spells and rituals included range from basic “everyday” magic for health, prosperity, love, protection, and prophetic dreams to advanced high-level magic such as invoking the highest angelic powers or creating an astral life-form, or Golem. Revealing the occult teachings of the 4th-century Book of the Mysteries, the magical uses of 150 psalms, and how to harness the power of Hebrew letters in talisman designs, the author also shows you how to contact the Maggid, or Divine inner teacher, or attain the spiritual vision of the Merkabah. A thoroughly accessible guide to the magic of the Qabbalah, this book also covers the underlying spiritual principles and history of these powerful magical practices.
