Josette Monier is a legend among the Sazi.

One of the most powerful, beautiful, and oldest Sazi in existence, she lives in self-imposed exile. Her gift of sight is so strong that to be around other living creatures is to be in pain.

What Josette has experienced lies beyond the scope of the Sazi, for her mate is in love with someone else. But when her gift of sight reveals trouble for her community, she knows that she has no choice. She must set aside her personal pain and save her people. And perhaps save herself and find love again.
