When a loved one dies, most of us assume the door to communication with that person has closed, and all we are left with are memories. Yet, in this profoundly inspiring book, Jeffrey A. Wands, rising star of the medium world, offers a different perception, one that suggests that a unique if not incredible form of contact has opened.

Another Door Opens takes readers on a dramatic tour of the beyond that will change them forever. Writing in his trademark conversational style, Jeffrey A. Wands gives us an entirely new definition of death and, most interestingly, the opportunities it presents. By recounting real-life stories of those who've used Wands' psychic ability to reach their loved ones in the beyond, this book offers intense and unforgettable examples of how the wisdom of the dead has helped change and enrich the lives of the living. The result is a book that shows readers how to keep the door open to those who've passed through to the other side -- and how to use that connection to open doors in their own experiences.

In his unique voice Jeffrey A. Wands delivers an awe inspiring and deeply moving reading experience and brings new insights to our continuing relation-ship with those in the world of spirit.
