## **Favorite Mittens** Robin Hansen

Robin Hansen can justifiably claim to be the person who started the groundswell of interest in roots knitting patterns for mittens. When *Fox & Geese & Fences: A Collection of Traditional Maine Mittens* was published a generation ago, it was an instant success, and nary a knitter above the age of thirty has not heard of it. It was followed by a second, equally inspiring collection: *Flying Geese & Partridge Feet: More Mittens from Up North & Down East*. *Favorite Mittens* is a compilation of some of the most popular traditional designs from Robin's groundbreaking first two books, presenting these tried-and-true patterns in a new format, with step-by-step directions revised and updated for ease of knitting, thanks to the helpful feedback Robin has gotten from the knitters who flock to her workshops all around the country.
