Before I ever fell in love with Bryce, there was Hayden. Hayden was my first love, the kind of love that takes your breath away and you remember forever. My love story with Bryce came later. Much later, after everything had happened.

Bryce Humphrey has never forgiven himself for his actions five years ago. Nor can he forget the two lives he ruined, or the girl he secretly loved. When he runs into Avery, the person who has haunted his dreams since that fateful night, his life is sent into a tailspin. As he gets to know her again after all these years, he realizes she has never gotten over the past. Will their shared pain bring them closer? And will they forge a new beginning built on healing, forgiveness, and love?
