In addition, the publishers have also added a significant amount of extra material gleaned from other early writings on working terriers. There are two new chapters by distinguished dog writer Theo Marples - The Sealyham Terrier as a Sporting Companion and Symptoms + Treatment of Common Ailments - plus 3 other articles by noted sportsmen of the day - Cairns are Working Terriers, Working Terriers Past amp Present and The Hunt Terrier Man and His Dogs. The book also contains a large number of B+W photos of terriers and terriermen that have never been reprinted before. Pierce O'Conor's wealth of knowledge and experience shines through the pages of this fascinating book which deserves a place on any true terrier man's shelf. N.B. The author has written two working terrier books, and this title should not be confused with his other book :- "Sporting Terriers. History, Training and Management." which was published in 1926.
