## **Cuba en Verso: La Isla entre Rejas, 2nd Edition (Spanish Edition)** Ada Bezos Castilla

Este libro describe, en verso, eventos claves de la revolución cubana y el régimen castrista. Expone su cruda realidad, sus crímenes e injusticias desde sus comienzos hasta el presente, así como poemas en tributo a algunos de sus mártires. Está escrito en formato de versos clásicos españoles; octosílabos, endecasílabos, dodecasílabos, y algunos versos libres. El libro incluye más de treinta fotografías de gran valor histórico las cuales ilustran los poemas, dándoles esa medida de realismo que solamente una estampa visual puede ofrecer. Es un documento histórico y un resumen literario que muestra la desbrujada realidad que ha hecho de nuestra bella isla de Cuba una isla de opresión y calamidades. La portada es la obra en acuarela del pintor y crítico de arte Lenny Campello, también de extracción cubana. El libro es parte de la colección de Poesía de Betania, dirigida por el ilustre Felipe Lázaro.
