Escenas latinoamericanas (Spanish Edition)

José Martí y Pérez

Escenas latinoamericanas (Spanish Edition) José Martí y Pérez

Este libro contiene sobre todo textos sobre las relaciones entre Estados Unidos y Latinoamérica en la época del Congreso de Washington, convocado para intentar establecer una moneda única para todo el continente. Las crónicas de Martí acerca de este acontecimiento revelan las diferentes aristas de un mismo problema, el de las difíciles relaciones entre una América pujante y expansiva y otra atrapada por la carencia de industria nacional. Interesa también la agudeza martiana a la hora de desentrañar los entresijos de este proyecto grandioso y frustrado. Martí cita a la prensa de su tiempo y comenta quiénes son los propietarios de esos periódicos, qué tendencia política siguen y cómo para conseguir esa moneda única es preciso no incurrir en ingenuidades. Por otra parte, cabe añadir que para Martí las relaciones entre las dos Américas pasaban también por un vínculo equilibrado y estrecho con Europa, otro de los mercados de referencia para el continente.
