Handbook of Regulations on Environmental Protection in China (Routledge Revivals)

The *Handbook of Regulations on Environmental Protection in China* details the environmental laws, regulations and standards in China for those enforcing and creating environmental policy as it stood in the early 1990's. Originally published in English in 1994, this translation aims to illuminate an English-speaking audience on Chinese environmental policy on areas such as pollution, food standards and waste management. This title will be of interest to students of Environmental Studies.
