Mary Hickson

Research Handbook for Health Care Professionals Mary Hickson

The *Research Handbook for Health Care Professionals* is the essential guide to the entire research process for students and practitioners alike. From conceiving an idea for a project to writing up the findings for publication, the book offers an overview of each stage plus hints and tips, recommendations for further reading and examples spanning a wide range of health professions.

The book comprises three sections: *Getting Started*, *Doing Your Research* and *Writing Up and Dissemination*, and includes chapters on key topics such as formulating your research question, writing the initial research protocol, application for ethical approval, research governance, collecting your data, research methods and preparing a poster for a conference.
