Riscatto (Percorsi della memoria) (Italian Edition) Gianluca Luttazzi

Questo libro è liberamente ispirato alla storia vera di uno zio dell'autore, che nel 1942, appena diciottenne, partì volontario arruolandosi nei Carabinieri. Come migliaia di giovani in quel periodo, rimase coinvolto negli eventi bellici della Seconda Guerra Mondiale e, insieme a tanti coetanei, si trovò di fronte a scelte fondamentali per il presente ma soprattutto per il futuro. Lui decise di non schierarsi dopo l'otto settembre: scelse invece di attendere la svolta definitiva degli eventi, rimanendo all'interno di quella zona grigia di cui tanto successivamente si è discusso. In queste pagine leggerete tuttavia la sua inquietudine per quel genere di scelta, per la quale cercò di trovare una difficile risposta all'interno del proprio animo. È la storia di un ragazzo che abbandona la terra natale sospinto inizialmente dalla voglia di coltivare un sogno cullato fin da bambino, poi dalla necessità di scappare da una realtà depressa e deprimente, per capire progressivamente che dalle proprie radici non si può scappare, che esse possono essere lasciate lontane fisicamente, ma tornano sempre indietro attraverso ricordi e malinconia. All'interno - come in tutti i volumi Fermento - gli "Indicatori" per consentire al lettore un agevole viaggio dentro il libro.
