## **Voices of Blood (The Kinsman Chronicles): Part 6** Jill Williamson **Jill Williamson's Fantasy Saga Continues!**

In the second volume of Jill Williamson's Kinsman Chronicles, a remnant has escaped the destruction of the Five Realms and now lives on several hundred ships adrift at sea. As a flock, they sail north into the unknown in hopes of finding land that might become their new home.

As the king's illness worsens, Sâr Wilek takes authority over the expedition and struggles to rule the disjointed people, while assassination attempts, vicious serpents, and dark magic endanger his life.

One prophecy has come to pass, but another looms dauntingly in the future. Who is this Deliverer? And if the Magonians have him, what might that mean for the realm of Armania?
