Pieces of Us Margie Gelbwasser

Two families. Four teens. A summer full of secrets. Every summer, hidden away in a lakeside community in upstate New York, four teens leave behind their old identities . . . and escape from their turbulent lives.

But when he's back in Philadelphia during the school year, Alex cannot suppress his anger at his father (who killed himself), his mother (whom he blames for it), and the girls who give it up too easy. His younger brother, Kyle, is angry too—at his abusive brother, and at their mother who doesn't seem to care.

Meanwhile, in suburban New Jersey, Katie plays the role of Miss Perfect while trying to forget a horrible, life-changing event that no one knows about. But Julie, her younger sister, sees Katie only as everything she's not. And their mother will never let Julie forget it.

Up at the lake, they can be anything, anyone. Free. But then Katie's secret gets out, forcing each of them to face reality—before it tears them to pieces.

Praise:

“Suspenseful, disturbing, and emotionally fraught.” —KIRKUS REVIEWS

From reader reviews:

Ann Fout:

Now a day people that Living in the era just where everything reachable by connect to the internet and the resources within it can be true or not demand people to be aware of each data they get. How many people to be smart in acquiring any information nowadays? Of course the answer is reading a book. Reading through a book can help men and women out of this uncertainty Information particularly this Pieces of Us book because book offers you rich information and knowledge. Of course the details in this book hundred per cent guarantees there is no doubt in it you know.

Samuel Stratton:

Information is provisions for people to get better life, information these days can get by anyone at everywhere. The information can be a expertise or any news even a huge concern. What people must be consider when those information which is in the former life are hard to be find than now is taking seriously which one would work to believe or which one typically the resource are convinced. If you obtain the unstable resource then you have it as your main information we will see huge disadvantage for you. All those possibilities will not happen inside you if you take Pieces of Us as the daily resource information.

Carlos Mendoza:

This Pieces of Us is great book for you because the content and that is full of information for you who else always deal with world and possess to make decision every minute. This kind of book reveal it data accurately using great coordinate word or we can say no rambling sentences inside. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but tough core information with beautiful delivering sentences. Having Pieces of Us in your hand like obtaining the world in your arm, facts in it is not ridiculous one particular. We can say that no publication that offer you world in ten or fifteen minute right but this reserve already do that. So , this can be good reading book. Hey there Mr. and Mrs. stressful do you still doubt in which?

Shalon Dougherty:

That reserve can make you to feel relax. That book Pieces of Us was vibrant and of course has pictures on there. As we know that book Pieces of Us has many kinds or category. Start from kids until teenagers. For example Naruto or Detective Conan you can read and believe that you are the character on there. Therefore , not at all of book are make you bored, any it offers you feel happy, fun and chill out. Try to choose the best book for you personally and try to like reading which.
