LO QUE TU LUZ DICE (Spanish Edition)

ANA MARÍA OLIVA

LO QUE TU LUZ DICE (Spanish Edition) ANA MARÍA OLIVA

Ana María Oliva empieza exponiendo algunos datos científicos sobre el campo de energía humano y acaba llegando a la conciencia de que somos mucho más de lo que nos muestran nuestros ojos. En un lenguaje ameno y asequible, nos explica cómo opera la tecnología GDV, una tecnología que permite ver el campo de energía humano y analizarlo, aportando así una valiosa información sobre el estado de salud psicofisiológica de la persona. La autora nos muestra cómo este campo de energía es algo totalmente dinámico, que se modifica en función de cómo percibimos la vida y de cómo la vivimos. Nos muestra el efecto positivo o devastador de un solo pensamiento, de una canción, de una llamada de teléfono, de un insulto o de una emoción. Al tomar conciencia de cómo todo eso cambia nuestro estado energético, y de la influencia directa que tiene sobre nuestra salud, vemos que, aunque algunas cosas nos afectan negativamente, disponemos también de herramientas para modificar nuestro campo energético a voluntad. Y esta es una forma de recuperar el poder sobre nuestra propia vida. Ya no puedes seguir considerándote una víctima. Ahora tienes en tus manos los recursos para llevar una vida más saludable y más feliz.
