Popular World Music Andrew Shahriari

Exploring Popular World Music is the first introductory level text written to introduce students to popular music styles from around the world. Focusing on styles that all students will know -- from Reggae to Klezmer, from Afro-Pop to Kodo drums--the book offers a comprehensive, listening-oriented introduction to the world's popular musical cultures. Each chapter will focus on a specific music style and its associated geographic locale. The salient musical and cultural features associated with each example are discussed in detail to increase our appreciation of the music. Relevant artists will be highlighted and suggestions for further reading and listening will be offered. By the end of the book, the student should be able to 1) recognize a variety of world music styles, 2) articulate musical and cultural knowledge associated with each style, and 3) identify important artists related to the genre. Supplementing the text will be a web site fcreated by the author) featuring the author's world music map, enabling students to explore pop music cultures as they relate to each other; as well as an iTunes playlist for all the highlighted selections in the book. This book should strongly appeal to Intro to World Music Courses for non-majors who wish to study popular rather than traditional musics of the world, which would encompass a large majority of students enrolled in these courses.

From reader reviews:

Earline Martin:

What do you in relation to book? It is not important with you? Or just adding material when you need something to explain what you problem? How about your spare time? Or are you busy person? If you don't have spare time to do others business, it is make you feel bored faster. And you have extra time? What did you do? Everybody has many questions above. The doctor has to answer that question simply because just their can do in which. It said that about publication. Book is familiar in each person. Yes, it is correct. Because start from on pre-school until university need this Popular World Music to read.

Lily Spivey:

Information is provisions for folks to get better life, information nowadays can get by anyone at everywhere. The information can be a information or any news even a concern. What people must be consider when those information which is inside former life are difficult to be find than now's taking seriously which one is appropriate to believe or which one often the resource are convinced. If you obtain the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All those possibilities will not happen with you if you take Popular World Music as your daily resource information.

Daniel Bryant:

Can you one of the book lovers? If yes, do you ever feeling doubt when you find yourself in the book store? Try to pick one book that you find out the inside because don't ascertain book by its include may doesn't work the following is difficult job because you are scared that the inside maybe not as fantastic as in the outside seem likes. Maybe you answer might be Popular World Music why because the great cover that make you consider in regards to the content will not disappoint you. The inside or content is actually fantastic as the outside as well as cover. Your reading 6th sense will directly guide you to pick up this book.

Jennifer Klein:

This Popular World Music is great e-book for you because the content and that is full of information for you who also always deal with world and still have to make decision every minute. This particular book reveal it information accurately using great coordinate word or we can declare no rambling sentences in it. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but tricky core information with attractive delivering sentences. Having Popular World Music in your hand like obtaining the world in your arm, data in it is not ridiculous 1. We can say that no guide that offer you world throughout ten or fifteen small right but this publication already do that. So , this really is good reading book. Heya Mr. and Mrs. active do you still doubt which?
