Ulysses

James Joyce

Ulysses James Joyce

James Joyce was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for *Ulysses* a landmark work in which the episodes of Homer's *Odyssey* are paralleled in an array of contrasting literary styles, perhaps most prominent among these the stream of consciousness technique he perfected. One of the greatest novels of the twentieth century, *Ulysses* has had a profound influence on modern fiction. *Ulysses* chronicles the passage of Leopold Bloom through Dublin during an ordinary day, 16 June 1904 (the day of Joyce's first date with his future wife, Nora Barnacle). The title alludes to Odysseus (Latinised into *Ulysses*), the hero of Homer's *Odyssey*, and establishes a series of parallels between characters and events in Homer's poem and Joyce's novel (e.g., the correspondence of Leopold Bloom to Odysseus, Molly Bloom to Penelope, and Stephen Dedalus to Telemachus). Joyce fans worldwide now celebrate 16 June as Bloomsday. Initially deemed obscene in England and the USA, this richly-allusive novel, revolutionary in its Modernistic experimentalism, was hailed as a work of genius by W. B. Yeats, T. S. Eliot and Ernest Hemingway.
