## **Whispers of the Heart** Michael W. Wilson

Poems of the heart move us emotionally to feel love within us. The joy, peace, fantasy of being loved is indeed that ultimate emotional experience we seek. Love is the life we want, the spiritual nature of being together with someone who connects with us. With love we make ourselves vulnerable and in times of love there will be heartbreak and pain. Deep within our heart are words meant for you only. They are words that caress us with intimate desires, a yearning unbridled beyond what our conscious mind is able to feel. They are the whispers of our heart seeping within the subconscious to give us love that is boundless and free of the world around us. Dreams and fantasies are real when we are transported on this journey where two hearts, two souls become one love.
