In Chancery John Galsworthy

In Chancery is the second novel of the Forsyte Saga trilogy by John Galsworthy and was originally published in 1920, some fourteen years after *The Man of Property*. Like its predecessor it focuses on the personal affairs of Forsyte family.

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
