**Praise for Timperlake and Triplett's bestselling *Year of the Rat***

"*Year of the Rat* is most remarkable for its masterful weaving of the various strands of the [Clinton-Gore] fundraising and national security scandals together into a single, coherent tapestry whose underlying theme is political corruption."

—KENNETH R. TIMMERMAN, *THE AMERICAN SPECTATOR*

"A clarion call to action is clearly documented in *Year of the Rat*, a thoroughly documented and important new book."

—WASHINGTON TIMES

"Authors Timperlake and Triplett have done the best job yet of connecting the dots and filling in the blanks of what may still prove to be the biggest White House scandal of all: compromising national security for bundles of campaign cash. . . .A jaw dropper."

—INDIANAPOLIS STAR
