A prank gone wrong throws three unlikely partners together: A demon. A dragon. And an egg.

Ethereal Foes Book 1

In the ordinary world, forces are at work which keep the balance of the universe in order. Enter Eve Sinclair, a higher demon with a mission--to sway those souls on the brink of Decision, to push them toward hell.

After a prank played by her brothers, Eve finds herself holding the proverbial bag, accused of stealing a precious dragon egg. Worse, it's a royal egg, as she learns from Ranton, the furious commander of the dragon legion.

Not a creature to have on one's bad side, Ranton shifts between his human and dragon forms, keeping Eve off-balance and off her game. Normally a master at manipulating males, Eve finds that Ranton is more than a match for her...as is his brother, the new dragon king. In their arms, she's mere putty.

And soon they're not only molding her desires, but her heart.

Warning, this title contains the following: explicit sex, graphic language, ménage a trois, and steamy dragon love.

Note: This book is a re-release of a previous edition.
