The Freedom Factor Gerald N. Lund

"Well," Gorham said slowly, "it is. You are now in an America that has never had the Constitution."

Nathaniel Gorham, an original Founding Father, visits young Bryce Sherwood, a rising aide to a Washington senator and a key player in an attempt to pass an amendment that would eliminate the checks and balances built into the Constitution. When Bryce refuses to change his position, Gorham transports him into a world where the Constitution was never ratified.

In this strange world of oppression and fear, Bryce begins to learn the true meaning of the Constitution and the price of freedom. But will he be able to pay that price? Will it cost him the love of Leslie Adarns and her family?

Fans of Gerald Lund everywhere will enjoy *The Freedom Factor*, a gripping novel of courage and love.
