100 A.Z.: Book 1 - Colorado Patrick T. Nelson

It is 100 A.Z., one hundred years after the zombie outbreak.

The undead have become essential to humanity's survival. Civilization was rekindled when a man hitched walkers to a plow and lured them across his family's field. Two generations later, humans have perfected zombie labor for agriculture, transportation, construction, and warfare. It's a world where zombies are often more valuable than humans.

And it's all coming to an end.

Sara Academy lives a life of power and privilege as the head of the dominant cartel in Colorado Springs, and is one of the few who fully grasps the upheaval coming. Ruthless cartels now compete to dominate the resulting zombie economy. Ruin is coming, though. The majority of current zombie stock is filled with the infected from the original outbreak and is beginning to expire. Once they do, the world will unravel.

When Sara makes a backroom deal with the Rocky Mountain Government to secure her future and leave the zombie trade for good, her brutal methods to fulfill the deal will embroil the whole continent in a bloody war she has no chance of winning.

Millions of zombies. A continent in chaos. 100 A.Z.- Colorado is the first installment of a thrilling post-apocalyptic series by author Patrick T. Nelson.
