## **Age of Fools** William A. Cook

Labeling this era “Age of Fools” in the tradition of 15th century Sebastian Brant’s “Ship of Fools” and embellishing his work with artwork by Edward Beardsley, William Cook writes: “How ironic that the self-proclaimed righteous, the born again Christian Zionists and the Jewish Zionists wheedle their way into their respective governments, preaching the Devil’s agenda, using superstition, deception and hypocrisy. In the process they destroy the true and permanent tenets of Christianity and the founding principles of Democracy. America, in short, mirrors the arrogance of the Israeli state under... right-wing Zionist groups that constitute its government... With Israel, driven by its god of war, we are the twin demons of destruction that live in constant fear of all peoples who would rather die than be subjugated, exploited, or oppressed.”
