Alternativa naranja: Ciudadanos a la conquista de España (Spanish Edition) Iñaki Ellakuria, José María Albert de Paco

Una crónica objetiva de los 10 trepidantes años de Ciudadanos.

El 8 de junio de 2005, quince intelectuales anunciaron la creación de un partido político como reacción a los efectos del nacionalismo en la vida pública catalana, con el fin de combatirlos frontalmente, sin complejos. Apenas un año después nacía **Ciudadanos**. Hoy, la criatura que inspiraron los Boadella, España, Ovejero o De Carreras, es una formación vertebral de la política española y su líder, Albert Rivera, se dispone a dar el salto al Congreso de los Diputados de la mano de una propuesta que no es de izquierdas ni de derechas, sino todo lo contrario.

Los periodistas Iñaki Ellakuría y José María Alberto de Paco se han zambullido en Ciudadanos para elaborar una crónica que va desde los orígenes de la formación hasta su entrada en el Parlamento. Hablar de partido naranja es hablar de un modelo de éxito. Pero no solo eso: Ciudadanos es también un hervidero de contradicciones, amagos de extinción y querellas internas. Ambas caras están contadas en *Alternativa naranja*, el mejor libro sobre un partido político con mucho futuro.
