Essentials of The Islamic Faith M. Fethullah Gülen

Essentials of the Islamic Faith is a selection from some of the speeches M. Fethullah Glen has given to large audiences over a life-time of dedicated service. In these speeches, he explains the principal elements of Islamic belief - belief in the existence and Unity of God; in Resurrection and the Day of Judgment; in Divine Scriptures and other familiar themes of Islamic discourse. What is special and unique about the presentation of them in this book is that the author is constantly aware of the encroachment (and the seductive appeal) of cultural attitudes which are hostile not to Islam only but to any religious and contemplative way of life.
