## My Dream Is Bigger Than I: Memories of Tomorrow

Considered by many the youngest binary child genius in recorded history, for both poetry and realist art, and an inductee into "The Kids Hall of Fame", world renowned artist and celebrated poet Akiane has been featured in numerous international television and radio shows, documentaries, and publications. Never exposed to spiritual matters, unexpectedly, at the age of four, Akiane began sharing her detailed visions about God and events on earth. Soon after, she started describing them through art and poetry. This is a collection of Akiane's dreams, visions, poetry, aphorisms, and philosophical reflections written during four years, from age of 7 through 11.
