Out of This World (Vintage International) Graham Swift

Out of This World interweaves the history of a blighted family with the tragic and ludicrous history of the twentieth century. Its alternating narrators are a father and daughter--each obsessed with the other and irrevocably estranged--surveying their losses and grievances on opposite sides of the Atlantic.

"A moving, ingenious and often very funny tale that takes us deep into his characters' wounded, resilient hearts with breathtaking virtuosity...rich, complicated, joyful, arresting."--*USA Today*
