Blamed for a heinous crime and banished from his tribe of Jaguar shifters, Adriano will do anything to buy back his rightful place—even steal a priceless artifact. First, he'll have to seduce Sophie Martin, an archaeologist researching the temple ruins and the one person who stands in his way.

Sophie wants to uncover the artifact as well—not to sell it, but to study it. It could unlock all the secrets of an ancient and mysterious civilization. But it's hard to focus on her work when the distractingly sexy Adriano is nearby.

What begins as a seduction quickly turns into mutual passion as Adriano's touch awakens a side of Sophie she'd kept hidden—and arouses his Jaguar instincts. To preserve his people's secret and earn his redemption, Adriano needs the artifact. But when a rival thief kidnaps Sophie, Adriano will be forced to choose—between the people who rejected him in the past, or the woman who could be his future...
