The Journal of Callie Wade Dawn Miller

Dawn Miller's marvelous debut novel is a grand adventure -- and a glorious love story -- experienced with all the passion and yearning of a heroine you'll never forget: eighteen-year-old Callie Wade, whose hopeful heart is as rich with promise as the frontier, which calls her family from their Missouri farm to a new life out West. *The Journal Of Callie Wade* invites us into a world long vanished, brought to life once more in the pages of a young pioneer woman's diary.

April 12, 1859: *"What you can't duck, you best welcome." That's what Mama used to always say, anyway....Even though it was in me to fight going West, I couldn't; there's a light in Pa's eyes, a kind of hope that our Rose will find health and I see it in Jack's eyes, too. As wild and reckless as my brother can be, I know he dreams of better. When I look into Quinn's eyes I feel my own dreams, too...and the love. But everything is so unsure on the trail. Sitting here, staring at the scattered campfires of the train, I can almost hear the prayers to make it through another dust-choked mile, over another river, another birth...another death. Maybe Pa is right, maybe we'll all have a new chance at life in the West. But at what price?*

From bitter hardships to moments of shining joy, from unexpected friendships to Callie's blossoming love for Irishman Quinn McGregor, *The Journal Of Callie Wade* is a chronicle of courage and faith, an inspiring tale of hope and endurance to treasure for years to come.
