Try to Remember

Iris Gomez

Try to Remember Iris Gomez

If she tries, Gabriela can almost remember when her father went off to work . . . when her mother wasn't struggling to undo the damage he caused . . . when a short temper didn't lead to physical violence. But Gabi cannot live in the past, not when one more outburst could jeopardize her family's future. So she trades the life of a normal Miami teenager for a career of carefully managing her father's delusions and guarding her mother's secrets. As Gabi navigates her family's twisting path of lies and revelations, relationships and loss, she finds moments of happiness in unexpected places. Ultimately Gabi must discover the strength she needs to choose what's right for her: serving her parents or a future of her own.

"Fresh and vibrant . . . I adored every single page." --Mameve Medwed, national bestselling author of *How Elizabeth Barrett Browning Saved My Life* and *Of Men and Their Mothers*
