José Ortega y Gasset

VIEJA Y NUEVA POLÍTICA y otros escritos programáticos (Biblioteca del 14) (Spanish Edition) José Ortega y Gasset

Vieja y nueva política es un texto fundacional, en el que Ortega presenta el proyecto político de su generación intelectual, la de 1914, la generación de la rabia y de la idea, como la calificó certeramente Antonio Machado, en una coyuntura en la que el reformismo intentaba abrirse camino y despejar un nuevo horizonte. Tal como la define Ortega, la nueva política tiene que ser toda una actitud histórica, es decir, creación de nuevos usos y modos de hacer política en contra de los habituales y tradicionales. El programa de regeneración de la política, que aquí traza Ortega, es complementario de su reforma intelectual y moral y define a su autor como el Fichte de la nación española.
