Feminism for Girls (RLE Feminist Theory): An Adventure Story (Routledge Library Editions: Feminist Theory)

Feminism for Girls presents feminist perspectives on aspects of adolescence which have been chosen for their special relevance to the lives and experiences of girls and young women today. Illustrated throughout, chapters cover themes and topics which include romance and sexuality, girls' magazines, careers and the reality of being a black girl in society today. Housewives look back at their youth and a sixteen-year-old girl writes vividly about what it's like trying to break out of the mould that parents and others so often expect for girls. This book is written for girls and young women themselves and for people who are, like the contributors, currently teaching or working with girls.
