An Introduction to Language (Linguistics in the World) Kirk Hazen

An Introduction to Language offers an engaging guide to the nature of language, focusing on how language works – its sounds, words, structures, and phrases – all investigated through wide-ranging examples from Old English to contemporary pop culture.

- Explores the idea of a scientific approach to language, inviting students to consider what qualities of language comprise everyday skills for us, be they sounds, words, phrases, or conversation
- Helps shape our understanding of what language *is*, how it *works*, and why it is both elegantly complex and essential to who we are
- Includes exercises within each chapter to help readers explore key concepts and directly observe the patterns that are part of all human language
- Examines linguistic variation and change to illustrate social nuances and language-in-use, drawing primarily on examples from English
- Avoids linguistic jargon, focusing instead on a broader and more general approach to the study of language, and making it ideal for those coming to the subject for the first time
- Supported by additional web resources – available upon publication at www.wiley.com/go/hazen/introlanguage – including student study aids and testbank and notes for instructors

From reader reviews:

Carmen Russell:

The book An Introduction to Language (Linguistics in the World) can give more knowledge and information about everything you want. Why then must we leave a good thing like a book An Introduction to Language (Linguistics in the World)? Several of you have a different opinion about book. But one aim this book can give many details for us. It is absolutely proper. Right now, try to closer with the book. Knowledge or information that you take for that, you are able to give for each other; you may share all of these. Book An Introduction to Language (Linguistics in the World) has simple shape but you know: it has great and big function for you. You can seem the enormous world by open and read a guide. So it is very wonderful.

Christina McMullen:

What do you concerning book? It is not important together with you? Or just adding material when you require something to explain what the one you have problem? How about your spare time? Or are you busy person? If you don't have spare time to complete others business, it is make you feel bored faster. And you have free time? What did you do? Everyone has many questions above. The doctor has to answer that question due to the fact just their can do in which. It said that about publication. Book is familiar on every person. Yes, it is correct. Because start from on pre-school until university need that An Introduction to Language (Linguistics in the World) to read.

Jonathan Thurman:

The publication with title An Introduction to Language (Linguistics in the World) includes a lot of information that you can understand it. You can get a lot of benefit after read this book. That book exist new knowledge the information that exist in this reserve represented the condition of the world now. That is important to yo7u to understand how the improvement of the world. This specific book will bring you inside new era of the glowbal growth. You can read the e-book with your smart phone, so you can read the idea anywhere you want.

Eunice Nunn:

This An Introduction to Language (Linguistics in the World) is great publication for you because the content which is full of information for you who also always deal with world and have to make decision every minute. This particular book reveal it info accurately using great organize word or we can declare no rambling sentences in it. So if you are read this hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but tough core information with wonderful delivering sentences. Having An Introduction to Language (Linguistics in the World) in your hand like finding the world in your arm, details in it is not ridiculous 1. We can say that no publication that offer you world inside ten or fifteen minute right but this reserve already do that. So , this really is good reading book. Hello Mr. and Mrs. active do you still doubt that?
