Estudios masonicos. Cinco ensayos (Escuadra y Compás) (Spanish Edition)

Ricardo Serna Galindo

Estudios masonicos. Cinco ensayos (Escuadra y Compás) (Spanish Edition) Ricardo Serna Galindo

En muchas ocasiones, los estudios rigurosos y exigentes en torno a temas delicados y especiales como la Francmasonería quedan relegados a los anaqueles de las bibliotecas más exclusivas y especializadas, ubicadas casi siempre en fundaciones o universidades. Porque, aunque es verdad que este tipo de estudios y publicaciones se hallan sin dificultades en los más prestigiosos fondos universitarios, hay que reconocer que el lector medio no acude casi nunca a requerir el libro o el artículo que le interesa a centros de ese tipo. Más que nada por simple ignorancia de los protocolos y mecanismos de solicitud de las obras; y porque la librería, como expendeduría de libros, resulta un lugar más natural para el común de los mortales.

Esta vez hemos querido rescatar, para un público cultivado aunque más general, esta colección de trabajos de Ricardo Serna. Se trata de recoger en un mismo volumen cinco interesantes ponencias congresuales que en su momento fueron expuestas en simposios internacionales de historia de la Masonería. Cada uno de los trabajos tiene su propia identidad, su desarrollo autónomo y su particular índole, aunque están unidos entre sí por una diáfana columna vertebral: todos ellos versan sobre asuntos masónicos. Y además, la literatura late con viveza en el fondo de los ensayos. No en vano el autor se considera literato amén de historiador de título, y es bien conocida su admiración por la praxis de los historiadores profesionales.

El lector hallará en la lectura de estos peculiares ensayos el rigor y competencia de una buena y avezada pluma, la calidad indiscutible de un original discurso, el misterio que envuelve todo lo masónico y la pasión que el escritor pone a la hora de ejecutar y exponer sus tesis. Fundamento y solaz, historia y literatura reunidos en este libro que no dejará indiferente a quien se acerque a sus páginas.
