## **Human Body Theater** Maris Wicks

Welcome to the *Human Body Theater*, where your master of ceremonies is going to lead you through a theatrical revue of each and every biological system of the human body! Starting out as a skeleton, the MC puts on a new layer of her costume (her body) with each "act." By turns goofy and intensely informative, the *Human Body Theater* is always accessible and always entertaining.

Maris Wicks is a biology nerd, and by the time you've read this book, you will be too! Harnessing her passion for science (and her background as a science educator for elementary and middle-school students), she has created a comics-format introduction to the human body that will make an expert of any reader -- young or old!
