La invasión pacífica. Los turistas y la España de Franco (Noema) (Spanish Edition)

Sasha D. Pack

La invasión pacífica. Los turistas y la España de Franco (Noema) (Spanish Edition) Sasha D. Pack

A partir de la década de 1950, los sucesivos gobiernos de Franco empezaron a dar especial énfasis al fomento del turismo, como una forma de propaganda inversa, “para que los extranjeros nos visiten y cuenten la verdad de España”. Además, sus divisas sirvieron para equilibrar el déficit comercial, mal español endémico durante esos años. Así empezó una época de construcción salvaje, de turismo barato y de "Spain is Different". Profusamente ilustrado, este volumen recordará a muchos lectores una época no tan lejana, y servirá a muchos como panorámica de una época que ya preparaba la Transición.
