## **Limbless And Exposed: Jenny's New Life** May Lillie

In the last book we left Jenny as she gave in to her baser urges and began enjoying shameful and humiliating treatment. She agreed to an offer where she'll be her Master's plaything and we return to find her strapped in to a machine that will make her squeal with pleasure in front of a room full of Master's guests.

Clarissa, her assistant, has joined Jenny and must withstand humiliations of her own if she wants to stand by her side. The two of them must undergo trials of pleasure as they embark on their new lives in the large manor owned by their mutual Master.

Will Jenny find her way back to the sunny and cheerful woman she once was or has she fallen too far? Can Clarissa convince the woman she has fallen for that there are things worth keeping your sanity over, even if you have no arms and no legs.

Join the two young women in the third and final book that concludes the story of Jenny, the athlete that has her life changed forever by an accident. How would you react if you woke up a quadruple amputee?
