The Tempest

William Shakespeare

The Tempest William Shakespeare

Magic and Intrigue-- Prospero, a wizard, is the rightful Duke of Milan, but his brother, in league with the King, had deposed him and set him adrift with his 3-year-old daughter Miranda 12 years earlier. Through his mystical arts Prospero divines that his brother is on a ship passing close by. Prospero raises a tempest and drives his brother's ship toward the island and puts in motion a plan to restore his daughter to her rightful place. Full fathom five thy father lies; Of his bones are coral made; Those are pearls that were his eyes: Nothing of him that doth fade, But doth suffer a sea-change Into something rich and strange.
