## **Earth and Sky: A Beautiful Collision of Grace and Grief** Guy Martin Delcambre

Guy Delcambre writes, "In grieving, grace strengthened me every sinking moment, every day. Steadily, the pain dissolved." Earth and Sky is the story of a traveler walking through the deepest valley and the highest mountain, through great heartache and unexpected joy. It is not a book about grief, but a book about grace and the goodness of God in the darkest night. With a refreshing frankness and raw emotion, Guy shares his journey from happy husband, to grieving widower, to single dad and victorious believer. It is a journey filled with great spiritual insight and hope. It was not a journey he chose for himself and his three young daughters, but one in which he declares, "God reframed my life with His truth and grace." If you have experienced great loss you will find here a reason to persevere and find peace through the storm. You will be inspired to learn how God descends into the messiness and loneliness of life, and grows faith watered by grace.
