## The Harlem Renaissance in the American West: The New Negro's Western Experience (New Directions in American History)

The Harlem Renaissance, an exciting period in the social and cultural history of the US, has over the past few decades re-established itself as a watershed moment in African American history. However, many of the African American communities outside the urban center of Harlem that participated in the Harlem Renaissance between 1914 and 1940, have been overlooked and neglected as locations of scholarship and research.

*Harlem Renaissance in the West: The New Negro's Western Experience* will change the way students and scholars of the Harlem Renaissance view the efforts of artists, musicians, playwrights, club owners, and various other players in African American communities all over the American West to participate fully in the cultural renaissance that took hold during that time.
