Vampires and Zombies: Transcultural Migrations and Transnational Interpretations

Vampires and Zombies: Transcultural Migrations and Transnational Interpretations

The undead are very much alive in contemporary entertainment and lore. Indeed, vampires and zombies have garnered attention in print media, cinema, and on television. The vampire, with roots in medieval European folklore, and the zombie, with origins in Afro-Caribbean mythology, have both undergone significant transformations in global culture, proliferating as deviant representatives of the zeitgeist.

As this volume demonstrates, distribution of vampires and zombies across time and space has revealed these undead figures to carry multiple meanings. Of all monsters, vampires and zombies seem to be the trendiest—the most regularly incarnate of the undead and the monsters most frequently represented in the media and pop culture. Moreover, both figures have experienced radical reinterpretations. If in the past vampires were evil, blood-sucking exploiters and zombies were brainless victims, they now have metamorphosed into kinder and gentler blood-sucking vampires and crueler, more relentless, flesh-eating zombies.

Although the portrayals of both vampires and zombies can be traced back to specific regions and predate mass media, the introduction of mass distribution through film and game technologies has significantly modified their depiction over time and in new environments. Among other topics, contributors discuss zombies in Thai films, vampire novels of Mexico, and undead avatars in horror videogames. This volume—with scholars from different national and cultural backgrounds—explores the transformations that the vampire and zombie figures undergo when they travel globally and through various media and cultures.

Kelli Valverde:

Information is provisions for individuals to get better life, information today can get by anyone on everywhere. The information can be a understanding or any news even a concern. What people must be consider any time those information which is from the former life are hard to be find than now could be taking seriously which one works to believe or which one the resource are convinced. If you find the unstable resource then you have it as your main information there will be huge disadvantage for you. All of those possibilities will not happen throughout you if you take Vampires and Zombies: Transcultural Migrations and Transnational Interpretations as your daily resource information.

Lorenzo Maskell:

Reading a e-book tends to be new life style with this era globalization. With examining you can get a lot of information which will give you benefit in your life. Using book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their very own reader with their story as well as their experience. Not only the storyplot that share in the books. But also they write about advantage about something that you need case in point. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors these days always try to improve their talent in writing, they also doing some exploration before they write to the book. One of them is this Vampires and Zombies: Transcultural Migrations and Transnational Interpretations.

Larry Pulido:

Your reading sixth sense will not betray an individual, why because this Vampires and Zombies: Transcultural Migrations and Transnational Interpretations book written by well-known writer we are excited for well how to make book that can be understand by anyone who have read the book. Written with good manner for you, still dripping wet every ideas and composing skill only for eliminate your own hunger then you still skepticism Vampires and Zombies: Transcultural Migrations and Transnational Interpretations as good book not only by the cover but also by content. This is one publication that can break don't assess book by its deal with, so do you still needing a different sixth sense to pick this!? Oh come on your reading sixth sense already alerted you so why you have to listening to one more sixth sense.
