Lately things have been getting weird for pathology technician Kat Chanter. She's been craving raw meat, and having dreams so realistic they're scary. When she accepts a job offer from the prestigious Hema Castus Research Institute, she hopes she'll have the chance to discover what's wrong with her, but instead, her move to New York thrusts her headlong into a treacherous hidden world, where the wrong move could be fatal . . .

Tarot, witchcraft and astrology all take on a frightening resonance in *Dark Child's* richly imagined alternative reality where vampiric beings live among us, hidden by magic.
