Grab the wagon, it's a bright autumn day and the trees are full of ripe, red apples! There's an apple festival underway at the farm and lots of work to do making cider. This visit finishes with a cider doughnut and a cup of freshly pressed cider. DELICIOUS! Told in crisp, action-driven thymes from a young child's point of view, *From Apple Trees to Cider, Please!* is a realistic account of how apple cider is pressed, flavored with the charm and vigor of a harvest celebration.
