Kids Bible Reading Plan: Vol 5: Matthew 15-28 Dr David Murray

A Bible reading plan for kids that is:

Simple: Easy to understand and follow.

Systematic: Verse by verse through the Bible.

Short: Five minutes a day.

Spiritual: Interactive questions.

More Details

Like every Christian parent, I wanted my children to read the Bible. However, although I found numerous Bible reading plans for adults, I couldn't find what I wanted for my kids.

Some plans were way too ambitious and time-consuming; others just had random verses from here, there, and everywhere. Some had too much interactivity; others had too little. Some had one verse of Bible and one page of commentary!

I wanted my children to have a Bible reading plan that would be simple, systematic, interactive, do-able, and full of Bible. So...I wrote one myself. And when I shared the handouts on social media, I was taken aback by the interest and appreciation. Many asked for a book version, and this is it.

Each book has about 100 days of Bible reading, each day has a brief question, and each week has an area for prayer points. **It can be used with any Bible version.**

It shouldn't require more than five minutes a day, but, over a few years, your children will read and interact with much of the Bible. And they will end up not only with a memorable collection of Bible workbooks, but also a blessed habit of daily, systematic, interactive, and prayerful Bible reading.
