## **Movie Confidential: Sex, Scandal, Murder and Mayhem in the Film Industry** Andrew Schanie

Truth really is stranger than fiction — just look at the film industry. The product on the screen is no match for what goes on when the cameras stop rolling. *Movie Confidential* lays out the story-behind-the-story of Hollywood's most sordid true tales. Encompassing sex, scandal, murder, and mayhem, it dishes the dirt on stars of the past and present. From what really happened in Fatty Arbuckle's infamous room at the St. Francis Hotel to Eddie Murray's "I was just giving her a ride" defense, from PCP-laced chowder on the set of *Titanic* to Judy Garland's strange visions, to mysterious deaths, mistakes in filmmaking, and a multitude of other irresistible tales, this cheeky collection covers the gamut. Packed with photos and presented in the style of vintage scandal magazines from the 1950s, *Movie Confidential* is a compulsively readable look at filmdom's seamy underbelly.
